To: The President Djinnang Association

Letter of Appreciation – 2017 Reunion.

Hi Gavin! I feel compelled to comment and congratulate your office bearers and committee on the terrific reunion that I attended last week on the 27th of May 2017. Although the numbers were reported as being down on last year the occasion was obviously a resounding success from the camaraderie that I witnessed on the night. The fact that the Services Club was no longer available to us turned out to be a blessing in disguise. The new location at the Transcontinental is an excellent choice and I congratulate whoever was responsible for researching the new venue. The fact that it is across the road from the Roma Street Station is perfect. Our members travelling locally by train or interstate/intrastate by either plane/bus/train are already at the venue simply by arriving at Roma Street without any further travelling. Having three major accommodation places (Jen, Meriton and Abbey) only metres from the Transcontinental is a bonus for non-Brisbane members. This new arrangement sure beats the Mansfield Tavern days!

I believe that not having a set dinner as we used to do is also a winner. The restaurant menu downstairs at the Transcontinental offers diners a wide choice of fare.... (John McAllister had eaten there the night before and highly recommended a certain steak which was delicious).

Congratulations are also in order for whoever designed our new tee-shirts. They look quite smart and now I know that I guessed my size correctly on the night I will be purchasing several more next year. Thanks Deb!

Gav, please pass on my appreciation to all the office bearers/committee members whose hard work provides the opportunity for all Djinnang members to participate in our yearly gathering. There probably wouldn't be too many musterings in the RAAF who organize such a regular and successful reunion as those of us in the Communications field.

Jeff Wessels concurs with the sentiments expressed in this email and sends his appreciation as well.

Cheers.....Hinchy

bigger shoulders..**

RAAF DJINNANG ASSOCIATION ANNUAL REUNION 2017

PRESIDENT'S REPORT 2016/2017. AGM 27/5/2017

During 2016/2017 the Association experienced a major upheaval in that the Committee was given the task of finding a suitable new venue to hold this year's reunion, and hopefully future reunions.

Secretary Gail McDermott, during the past year, checked out five different venues before submitting her report and recommendations to the Committee. Gail did this in her own time and at her own expense. The Transcontinental Hotel was considered the most suitable and so here we are. No doubt there will be a few hiccups and various complaints but if you think its easy finding a venue to accommodate all our requirements for a reunion think again. A big thank you to Gail.

Last year members indicated they would like Association Shirts. Brian Webb and Alyn Hawkes took this task on and the shirts with logo's are now available. Thank you to Hawkeye and Webbie.

The Committees decision to scrap the free meal and admission was a matter of necessity. The cost of this venue is substantially more than the Old Social Club so it was an essential requirement to offset these expenses. The Committee does not consider \$10.00per head admission expensive. Included as part of the costs for the venue is a free Drink and Finger Foods. There is a Resturant available for Dinner at your own expense.

This year took its toll on many of our members who have now gone to the Big Radio Shack in the Sky. To their family and friends we pass on our Heartfelt Sympathy. My personal condolences to Ernie Gimm and Kathy Richards.

To end this report I would like to thank the Committee for all the hard work, time and effort they have put in during the year. We convene at the Oxley Hotel when meetings are required and all members are welcome to attend.

Tonight's function is trial and error because it is a new venue so if there is anything you think the Committee can do to improve any aspect of our Reunion come and let me know. All recommendations will be considered by the Committee.

Thank you all and Cheers,

G.D. SMITH.

3 Telecommunications Unit.

This is the pennant that was presented to Number 3 Telecommunications Unit by His Excellency, The Honourable Bill Hayden A.C. Governor-General of the Commonwealth of Australia at the Royal Australian Air force Base Pearce, Western Australia. on the 8th of March 1991

These words came from the program that was printed for the occasion.

The presentation of the governor-General's Banner to No 3 Telecommunications Unit honours the unit's distinguished service since its formation in October 1946. The honour is one which is shared by many men and women of the Royal Australian Air Force who have served with the unit during the 44 years of its activity. The Governor-Generals Banner is awarded to those units whose loyalty and distinguished service warrant recognition through the award of a ceremonial flag. Normally that service must be sustained for a period greater than 25 years. It may also be awarded for especially outstanding service over a shorter period. The Banner is the non-operational equivalent of the Squadron Standards which are awarded to the operation flying squadrons of the RAAF. Award of the Banner requires the personal approval of the Governor-General.

Throughout its period of service, No 3 Telecommunication Unit has been a very important and most effective part of the Defence Communication Network and the Air Operations Communication System. It has also provided specialist communications services of the highest quality to the Australian Defence force and the Department of Defence. Within the Defence communication community, No 3 Telecommunication Unit is highly regarded for its professional expertise and its innovative approach to problem solving.

I congratulate all members, past and present, of the unit for a job well done. The award of the Governor-General's Banner is a well-deserved and highly appropriate way of recognizing nearly 45 years of excellent service to the RAAF, the ADF, and the Australian Nation.

Description of the Banner

The Governor-General's Banner for No3 Telecommunication Unit is of blue silk and features the Governor-Generals Pennant in the top left corner, wattle sprays in the other corners and the Unit Badge surrounded by the Southern Cross in the centre. The Banner is fringed and tasselled in blue and gold, and is hung on a staff surmounted by an eagle.

The Badge of No 3 Telecommunication Unit incorporates a terrestrial globe surmounted by three smoke rings. The smoke rings represent the earliest method of signalling know to Australia, the rings, three in number, represent the number of the unit and the globe represents the unit's operation in signalling over the entire world. Unit motto, the word 'DJINNANG', is an Aboriginal word meaning to see, to look or to observe.

A brief Unit history.

On the 3rd of October 1946, Memorandum number 1081 was issued stating that No 3 Telecommunication Unit (3TU) was to be formed. It went on to say 3TU was to be established on the 15th of October as the eventual replacement for the eight Wireless Telegraphy Units in active service during World War II.

Recruitment was sought from the Telegraphist mustering with the first two members being posted to 3TU in October 1946. Following specialist training, on the evening shift of the 6th of September 1947, 3TU became operational.

Since that time, 3TU has been operational 24 hours a day for what is now almost 44 years. At all time, the members of 3TU have patiently, quietly and effectively conducted business. The contributions the members of 3TU have made to Australia's security have been significant if unheralded.

From the infancy of 3TU in 1947, the unit underwent a number of cosmetic changes growing to what is perceived to be a welcoming home to present and past Signals Operators. The members of 3TU have always relished the country club atmosphere which has been possibly the greatest contributing factor to the very high morale and esprit de corps that was enjoyed at this unit.

“The Djinnang Association was started by the ex members of 3 Telu in WA and still exists. In WA is strictly for ex 3 TU members only. It was taken up by some ex 3 TU members in Qld where it included all communicators. The word Djinnang is the motto of 3TU and is on the official crest of that unit. The unit has the honour of being the only RAAF unit to be operational 24 hours a day 365 days of the year for over 40 years.”

3TU was disbanded in 1991.

Bill receiving Certificate of Outstanding Service ...

and with his Wife Heather whom he met at RADSCL.

The History of a Sigsop/Teleg.

Bill McCarthy joined the RAAF on 14 June 1956 as a Telegraphist provisional, as he was a Telegraphist in the then P.M.G. (Post Master General) rank was ACRM.

He started in recruit course 396, then on to RADSCL in 40 Telegraphist Course.

After passing out he was posted to 3Telu, he then went onto Singapore on the Strategic Reserve before returning back to 3Telu. He was then posted to Melbtelu and then again back to 3Telu.

After a Specialist Course at WRE he was posted to Hong Kong where he served His entire posting in the New Territories.

He returned to OPCOM and then Townsville, where he was commissioned into The Special Duties Branch and started that career path as a Pilot Officer.

After a posting to 76 Sqn Williamtown he went to Amberley for three years.

He then went to Darwin as a SQN LDR where he resigned his commission and Chose a civilian career in 1976, Before going into his own businesses, he was CEO/State Secretary of the Queensland Cricket Association.

With an Advanced Amateur Radio Callsign he continues his old telegraphist skills Learning on a almost daily basis, on the Amateur Radio Circuit.

He now lives in Beaudesert. (Where he Clay Pigeon shoots and teacher Radio)

{Below is Bills Amateur Radio setup {VK4WMC} and the type of Morse keys he uses daily}

DJINNANG_ASSOCIATION_(Qld)

RULES

NAME

1. **The name of the association shall be DJINNANG ASSOCIATION (Qld) (in these rules called "the Association").**

OBJECTS

2. **The objects for which the Association is established are:**

- (1) **To encourage and promote recreational and social activities for its members.**
- (2) **To organise an Annual Reunion of members and other recreational functions for members on an irregular basis.**

POWERS

3. **The powers of the Association are:**

- (1) **To take over the funds and other assets and liabilities of the previously incorporated Association which was disbanded by General Meeting.**
- (2) **The Association through the Management Committee may buy and sell goods or hire premises on behalf of the Association in connection with organised functions.**
- (3) **To remunerate any person for services rendered for promotion of the Association.**
- (4) **To invest and deal with money of the Association in such a manner as may from time to time be thought fit.**
- (5) **To make personal or written appeals for the purpose of procuring contributions to the Association by way of appeals, donations or annual subscriptions.**
- (6) **To print Newsletters to mail or email for distribution to members of the Association.**
- (7) **To do all other things to attain the objects and exercise the powers of the Association.**

CLASSES OF MEMBERS

4. **The membership of the Association shall consist of full members, being servicemen, servicewomen, ex-servicemen and ex-servicewomen who have served (Post World War 2) with R.A.A.F. Service Communication Units and/or whose mustering required that they serve within a Signals environment and any of the following classes of members:**

- (a) **Associate members : ex-servicemen and ex-servicewomen who did not serve with Service Communications Units or within a Signals environment.**
- (b) **Life members : persons who give exemplary service to the Association and are approved by any General Meeting.**
- (c) **Honorary members : persons who contribute services to the Association and are recognised at any General Meeting.**
- (d) **The number of members shall be as follows:**
 - Full members - unlimited.**
 - Associate members - unlimited as approved by the management committee.**
 - Life members - unlimited as approved by any General Meeting.**
 - Honorary members - not normally greater than 10% of full membership but admitted at the discretion of the Management Committee and ratified by the following General Meeting.**

5. **Membership shall be extended to all eligible persons who have been approved as in para 4 above and who have paid their joining and membership fees as applicable. Membership is current for one year, normally May-May and will lapse if not renewed.**

MEMBERSHIP FEES

6. **The membership fees for each class of membership shall be as recommended by the Management Committee and approved at any General Meeting. Fees will be payable in such a manner as determined by the Management Committee.**

ADMISSION AND REJECTION OF MEMBERS

7. **The Management Committee may accept or reject an application for membership of the Association from those persons eligible for either full or associate membership. Other classes of membership are to be ratified by a General Meeting.**

TERMINATION OF MEMBERSHIP

8. **Any member may resign from the Association at any time by giving notice to the Secretary. Membership will be automatically forfeited by non-payment of membership fees. The Management Committee may also terminate a membership if a member commits any act which may bring discredit to the Association or its members. The latter action will be ratified by a General Meeting.**

REGISTER OF MEMBERS

9. **The Management Committee shall keep a Register showing the names and addresses of persons admitted as members of the Association. The Register is to be available for inspection by any member on application through the Secretary.**

MEMBERSHIP OF THE MANAGEMENT COMMITTEE

10. **The Management Committee shall be elected by General Meeting for a period of twelve months or to the next Annual General Meeting. The committee will normally consist of a President and six or more other members. Of the elected company, the President will nominate one or more persons to fill specific positions on the Management Committee.**

VACANCIES ON THE MANAGEMENT COMMITTEE

11. **The Management Committee shall have the power to appoint or co-opt any member of the Association to fill any casual vacancy on the Management Committee until the next Annual General Meeting.**

FUNCTION OF THE MANAGEMENT COMMITTEE

12. **The Management Committee shall have the general control and management of the affairs of the Association. This shall include the authority to interpret the meaning of the Rules of the Association.**

MEETINGS OF THE MANAGEMENT COMMITTEE

13. **The Management Committee shall meet at times determined by the President or at any other time in response to the request from no less than twenty percent of full and financial members of the Association. In general, meetings will be called no less frequently than twice in any financial year. A quorum shall comprise no less than a President and one half of the elected members of the committee.**

ANNUAL OR OTHER GENERAL MEETINGS

14. **The Annual General Meeting shall be held within three months of the close of the financial year. The business to be transacted shall be the receiving of the Management Committee report and statement of income and expenditure. Receipt of the Treasurer's and Auditor's reports for the preceding financial year.**

ALTERATION OF RULES

15. Alterations to the rules of the Association shall be on the recommendation of the Management Committee and approved by a General Meeting.

FUNDS AND ACCOUNTS

16. The funds of the Association shall be banked in the name of the Association in such bank as the Management Committee may direct.
- Proper books and accounts shall be kept showing the financial affairs of the Association.
- All monies shall be banked as soon as practicable after receipt.
- All amounts of fifty dollars or over shall be paid by cheque signed by any two of the bank account signatories.
- Cheques shall be crossed "not negotiable" except those in payment of petty cash.
- The Management Committee shall determine the amount of petty cash which shall be kept.
- All expenditure shall be approved or ratified at a Management Committee meeting.
- The Treasurer shall cause a statement to be prepared at the end of the financial year showing particulars of expenditure and liabilities incurred throughout the preceding year.
- All statements are to be examined by an auditor and made available to the next Annual General Meeting.
- The income and property of the Association shall be used and applied solely in the promotion of the objects of the Association.

DOCUMENTS

17. The Management Committee shall provide for the safe custody of books and documents of the Association.

FINANCIAL YEAR

18. The financial year of the Association shall close on 31 March each year.

DISTRIBUTION OF SURPLUS ASSETS

19. If the Association shall be wound-up and there remains any property whatsoever, the same shall be transferred to any other association or charity as decided by the majority of members.

Hi guys,

Thanks for that, and again, I thought the new venue was an overall improvement on the public service club as was mentioned at the reunion, a comparable venue that is either on ground level, or has an elevator available, would be the icing on the cake for those who have such difficulty.

However, for my money, it was a well situated venue with excellent food and very good service generally. Additionally, I think the shirts are quite attractive but we should get a consensus on the wearing of them at the reunion, otherwise we will probably see the majority of members wearing their own dress shirts, which in turn may encourage those with the Djinnang shirt to opt not to wear it either. Just food for thought.

Appreciate the work you guys do in keeping the group together. congratulations.

Regards,

Rick {and Angie} Smith

On the 5 Jun 46 - RAAF received its first jet aircraft

A77-1 wearing RAF serial EE427

During May 1946, an ex-RAF Gloster Meteor F.3 jet aircraft was delivered to the RAAF's No 1 Aircraft Depot at Laverton, Victoria. The aircraft had been provided on loan by the British War Ministry to enable the RAAF to gain experience in operating a radical new type. It was flown on this day by Squadron Leader Derek ('Jell') Cuming, who earlier that year became the first RAAF officer to complete the Empire Test Pilots course. Two days later the Meteor was taken on strength with the tail number A77-1 and allotted to No 1 Aircraft Performance Unit for trials. Australia did eventually acquire the Meteor for squadron service, but only in 1951. By that time the de Havilland Vampire had already become, in 1949, the first jet acquired in numbers for the RAAF. In the meantime A77-1 had suffered a heavy landing at Darwin in February 1947 and been scrapped.

More on the Meteor here: <http://www.airforce.gov.au/raafmuseum/research/aircraft/series2/A77.htm>
